

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates.

Only the GOP -- or GOP-friendly media such as FOX and Rush, should be entrusted with presenting the news. With the Fourth Estate securely in the embrace of the benevolent GOP -- God's Own Party <wink>, we will finally arrive at our glorious destiny, so patriotically described in Orwell's "1984"!

To even suggest such changes to the rules, in my mind, brands the proponents as not just greedy coporalists, but out-right traitors to the principles upon which the Republic was founded.

Shame on you!
